NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

1. Significant accounting policies

The significant accounting policies used in the preparation and presentation of these financial statements are detailed below:

(a) Statement of compliance

These financial statements are general purpose financial statements that have been prepared in accordance with Australian Charities and Not-for-profits Commission Act 2012 and the Australian Accounting Standards - Reduced Disclosure Regime, Australian Accounting Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board and comply with other requirements of the law.

For the purposes of preparing the financial statements, the Company is a not-for-profit entity.

The financial statements were authorised for issue by the directors on 25 October 2021.

(b) Basis of measurement

The financial statements have been prepared on the basis of historical cost. Cost is based on the fair value of the consideration given in exchange for assets. All amounts are presented in Australian Dollars. The measurement bases are more fully described in the accounting policies below.

(c) Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and demand deposits together with short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

(d) Revenue recognition

Interest revenue is recognised using the effective interest method.

Government grants are recognised when there is reasonable assurance that the Company will comply with the conditions attached to them and when control of monies is attained and the amount of revenue can be measured reliably.

Donations are recognised upon receipt or upon unconditional entitlement.

(e) Financial Instruments

Financial assets and liabilities are recognised when the Company becomes party to the contractual provisions of the financial instrument, and are measured initially at fair value adjusted by transaction costs, except for those carried at fair value through profit and loss or other comprehensive income, which are initially measured at fair value.

The Company's financial liabilities include trade and other payables.

(f) Income tax

No provision for income tax has been raised as the Company is exempt from income tax under Div 50 of the Income Tax Assessment Act 1997.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

(g) Goods and services tax

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense.

Receivables and payables in the statement of financial position are stated inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the component of GST of investing and financing activities, which is disclosed as operating cash flows.

(h) New Accounting Standards

The AASB has issued new and amended Accounting Standards and Interpretations, including, AASB 9 Financial Instruments, AASB 15 Revenue from Contracts with Customers and AASB 1058 Income of Notfor-Profit Entities that have mandatory application which the entity adopted on 1 July 2019. The adoption of the new standards has not resulted in any material effect on the entity's financial statements.

(i) Critical Accounting Judgements and Estimates

In the application of accounting policies described here, the Company is required to make estimates, judgements and assumptions about carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and assumptions are based on historical experience and other factors considered to be relevant. Actual results may differ from these estimates.

There were no revisions made in the current year.

(i) Economic Dependence

The Company is dependant upon the receipt of community and corporate donations to ensure the ongoing continuance of its programmes. At the date of this report, management has no reason to believe that this financial support will not continue.

Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on my audit. I conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independence

In conducting my audit, I have complied with the independence requirements of Australian Charities and Not-for-profits Commission Act 2012. I have given to the directors of the company a written Auditor's Independence Declaration, a copy of which is included in the financial report.
